- Export Editions and Special Export Prices for October & November 2020
- Young Adult, Graphic Novels, Middle Grade, Picture, and Board Book Highlights
- Newsletter Order Form & Edelweiss Catalog
- January - June 2021 International Highlights Catalog

## Get Ready to WRECK THIS PICTURE BOOK!

### Wreck This Picture Book

Keri Smith

Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading.

What if there were a book that changed every time you read it?

Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor

your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless "wrecking"!)

## Oliver Jeffers Returns With Another Timeless Tale

### What We'll Build

Oliver Jeffers

From acclaimed author-illustrator Oliver Jeffers comes the companion to the #1 *New York Times* bestseller *Here We Are!*

*What shall we build, you and I?  
We'll build a watch to keep our time.  
I'll build your future  
and you'll build mine.*

Inspired by the birth of his daughter, and in the same vein as *Here We Are*, *What We'll Build* is a rhythmic and heartwarming father and daughter story from the beloved Oliver Jeffers. Told in rhyming text with Oliver's signature art, *What We'll Build* is the perfect story to cherish together.

#### **Praise for *What We'll Build*:**

"[Has] the offbeat, sweet style Jeffers' fans know and love." --*Kirkus Reviews*

## Music & Truth Collide in David Yoon's Latest YA RomCom

### Super Fake Love Song

David Yoon

From the bestselling author of *Frankly in Love* comes a contemporary YA rom-com where a case of mistaken identity kicks off a string of (fake) events that just may lead to (real) love.

When Sunny Dae--self-proclaimed total nerd--meets Cirrus Soh, he can't believe how cool and confident she is. So when Cirrus mistakes Sunny's older brother Gray's bedroom--with its electric guitars and rock posters--for Sunny's own, he sort of, kind of, accidentally winds up telling her he's the front man of a rock band.

Before he knows it, Sunny is knee-deep in the lie: He ropes his best friends into his scheme, begging them

to form a fake band with him, and starts wearing Gray's rock-and-roll castoffs. But no way can he trick this amazing girl into thinking he's cool, right? Just when Sunny is about to come clean, Cirrus asks to see them play sometime. *Gulp.*

Now there's only one thing to do: Fake it till you make it.

Sunny goes all in on the lie, and pretty soon, the strangest things start happening. People are noticing him in the hallways, and he's going to football games and parties for the first time. He's feeling more confident in every aspect of his life, and especially with Cirrus, who's started to become not just his dream girl but also the real deal. Sunny is falling in love. He's having fun. He's even becoming a rocker, for real.

But it's only a matter of time before Sunny's house of cards starts tumbling down. As his lies begin to catch up with him, Sunny Dae is forced to wonder whether it was all worth it--and if it's possible to ever truly change.

From *New York Times* bestselling author David Yoon comes an inventive new romantic comedy about identity, perception, and how hard it can feel sometimes to simply be yourself.

## Journey Back to Camelot with the sequel to **THE GUINEVERE DECEPTION**

---

### **The Camelot Betrayal**

Kiersten White

The second book in a new fantasy trilogy from *New York Times* bestselling author Kiersten White, exploring the nature of self, the inevitable cost of progress, and, of course, magic and romance and betrayal so epic Queen Guinevere remains the most famous queen who never lived.

EVERYTHING IS AS IT SHOULD BE IN CAMELOT: King Arthur is expanding his kingdom's influence with Queen Guinevere at his side. Yet every night, dreams of darkness and unknowable power plague her.

Guinevere might have accepted her role, but she still cannot find a place for herself in all of it. The closer she gets to the people around her--Brangien, pining for her lost love Isolde; Lancelot, fighting to prove her worth as Queen's knight; and Arthur, everything to everyone and thus never quite enough for Guinevere--the more she realizes how empty she is. She has no sense of who she truly was before she was Guinevere. The more she tries to claim herself as queen, the more she wonders if Mordred was right: she doesn't belong. She never will.

When a rescue goes awry and results in the death of something precious, a devastated Guinevere returns to Camelot to find the greatest threat yet has arrived. Not in the form of the Dark Queen or an invading army, but in the form of the *real* Guinevere's younger sister. Is her deception at an end? And who is she

really deceiving--Camelot, or herself?
