I like what I like.

It's a sentiment that I think a lot of people understand, especially comic book fans.

More than most, comic book readers like what they like. Many of us have books that we've been reading since we were kids (and for some of us, like me, that is a really long time) and don't dare dream of stopping. Many of us have creators that we have been following for years, sometimes decades, and yet we remain waiting with baited breath for the next comic they produce.

This is a good thing!

At least, I think it is. I like that I know what things make me happy and that I give myself permission to indulge in those things in moderation. But, the key for me is that last word—moderation. There does come a time when, regardless of how much I may love something, I need a break. There are times when I need to remind myself what it was that made me fall in love with my favorite things in the first place.

That's what this catalog is for me. A big, inviting, gigantic reminder of why I love the comic books I love and an open invitation to find a new favorite comic book to add to my list of indulgences. Inside here are new voices, new visions, new stories that resonate for me in ways that my favorite things don't any more or maybe never did. Inside this catalog are things that spark my passion for comics and invite me, once again, to relive all the various ways and reasons why I love comic books so much.

So, please, like what you like! But remember what got you there. Remember when you tried those things you love so much for the first time. Remember how much joy it brought you, and then consider taking a break from your favorites to add a few more to your list.

As always, thank you for being fans of IDW Publishing. Thank you for allowing all of us to do the work we get to do for you.

Take care,

Lennon

THE NEW YORK YEARS

WHEN I SEE YOU IN THE LIFT YOU HAVE AN ODD WAY OF LOOKING AT ME. A TOTALLY BLANK LOOK.

PEOPLE HAVE BEEN LOOKING AT ME STRANGELY FOR FIFTEEN YEARS.

TO BE ME MEANS NEVER HAVING SOMEONE NORMAL IN FRONT OF YOU.

PEOPLE SEE THE BEATLE, THE POLITICAL ACTIVIST, THE GUY SOME WOMEN GO NUTS OVER. YOU'D.

BUT WITH YOU, THERE'S NONE OF THAT. THAT'S WHAT DREW ME TO YOUR COUCH.

PERHAPS THE TIME HAS COME TO OFFLOAD ALL THAT CRAP.
