

**IDW**  
PUBLISHING

**THE GATEWAY COLLECTION**

Whether you're brand-new to IDW, or an IDW connoisseur, you'd probably agree that it's hard to say what an "IDW Greatest Hits" checklist would look like, but this Gateway Collection catalog features an overwhelming number of titles that would certainly be considered worthy of that title. This is about more than our "Greatest Hits," however. What you'll find here on page after page is diversity. From creators, to stories, to formats, IDW offers a Gateway to comics in more ways than ever.

Looking through this catalog you'll come across what truly makes IDW a unique publisher. Not only do we work with the biggest brands in the industry, but we also bring in some of the biggest names from across industries and beyond. Legendary science-fiction author William Gibson made his comic book debut here with us, in the dystopian *Archangel*. And of course Congressman John Lewis' essential graphic memoir, *March*, which began the year by earning the coveted National Book Award, the first graphic novel to do so, in fact.

From our award-winning Artist's Edition line that features the greatest comic book art throughout history, to the beloved *Teenage Mutant Ninja Turtles*, down to our newest format you might have seen in comic shops and major retail chains across the country, the Micro-Comic Collector Packs, we truly strive to make this art form more accessible than ever.

No matter where your interests lie, I am confident that within these pages you'll find something that catches your eye. The scope of our output which maintains a fine balance of range and quality is unparalleled, and something we as a company take great pride in. With all that said I invite you to turn the page and discover something new, something diverse, and of course, something great.

# LOCKE & KEY

(W) JOE HILL / (A/CA) BY GABRIEL RODRIGUEZ

Written by **Joe Hill** and featuring astounding artwork from Gabriel Rodriguez, *Locke & Key* tells the story of Keyhouse, an unlikely New England mansion, with fantastic doors that transform all who dare to walk through them... and home to a hate-filled and relentless creature that will not rest until it forces open the most terrible door of them all... Named a “modern masterpiece” by the *A.V. Club*, explore Joe Hill and Gabriel Rodriguez’s extraordinary tale of the Locke family!

### LOCKE & KEY

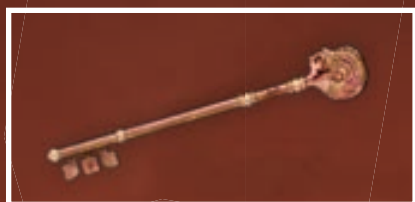

Locke & Key Script © 2017 Joe Hill, Art © 2017 Idea and Design Works, LLC. All Rights Reserved.

# SIX KEYS TO ENJOYING *LOCKE & KEY* FROM CCO CHRIS RYALL!

## 1. THE GHOST KEY

*Locke & Key* tells the story of the Locke family, who suffers a tragedy in California and relocates back to the ancestral family home located in Lovecraft, Massachusetts. And if that town's name doesn't clue you in that this is a family drama wrapped in magic, mystery, and horror, the discovery of a series of magical keys hidden within the mansion's rooms will. The Ghost Key, discovered by 8-year-old Bode Locke, clues both the family and the reader in that there are big, scary, and mysterious circumstances afoot.

## 2. THE HEAD KEY

If you possessed the Head Key, you could use it to unlock your mind, drop the books inside, and absorb the sum total of the amazing story and beautiful artwork contained within. But since you don't, you can instead savor each book slowly and properly, absorbing the Locke family's entire story as it unfolds over all six volumes.

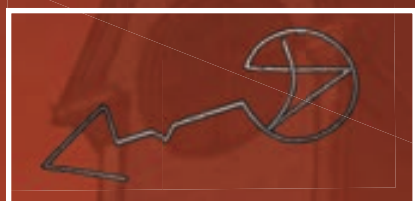

## 3. THE SHADOW KEY

The Shadow Key leads the possessor to the Crown of Shadows, which in turn both unlocks and animates all surrounding shadows. And, both better and worse, can allow the user to wear shadows, manipulating both the size and strength of the shadow. So you'll want to read this series with the lights turned up bright.

## 4. THE TIMESHIFT KEY

A vitally important key in Volume 4, *The Keys to the Kingdom*, the Timeshift Key allows the user to witness past events to gain information. In much the same way as you'll be able to read and re-read *Locke & Key* over and over again, learning more with each absorbing read.

## 5. THE ALPHA KEY

Does the Timeshift Key help the Locke family understand the origins of all of the keys, and of the Whispering Iron from which they've been made? It just might. And further, it might give you, the reader, clues as to the origin and use of the Alpha Key, too? No—for that, you'll need to read the complete saga.

## 6. THE OMEGA KEY

The Omega Key is the ultimate goal of Dodge, the malevolent entity at the center of *Locke & Key*. To what purpose? And what horrors will be unleashed if used to open the Omega Door? Read on and discover for yourself... just be prepared to lose plenty of sleep while doing so because once you've read one volume, you'll want to keep going until you, and some of the characters within the story, reach THE END.

# WILLIAM GIBSON DISCUSSES BRINGING HIS LATEST PROJECT TO IDW!

---

## WHAT MADE COMICS THE RIGHT MEDIUM TO TELL ARCHANGEL IN?

Nobody was stepping right up to make a feature film, and even if they had, it could have involved compromises. Always interesting, your first time out in a new medium.

## DO YOU FIND SEEING YOUR WORDS ILLUSTRATED BY GREAT ARTISTS MORE REWARDING?

It's a unique experience. Not like having material adapted for film or television, but hard to say exactly why.

## HAS THERE BEEN ANY INTERESTING "DISCOVERIES" OR UNEXPECTED CHALLENGES YOU HAVE ENCOUNTERED WHILE TELLING THIS STORY WITH ILLUSTRATIONS VS. YOUR NORMAL STORYTELLING?

Illustrated storytelling has a lot more room for the "omnipotent" POV. You can literally cut to an aerial view of the narrative landscape.

## DO YOU HAVE A FAVORITE GRAPHIC NOVEL?

Akira.

## ARE THERE MORE STORIES YOU'D LIKE TO TELL IN THIS FORMAT?

I'm sure there are, but I don't know what they are yet!

Are you troubled by strange noises in the middle of the night? Do you experience feelings of dread in your basement or attic? Have you or any of your family ever seen a spook, specter, or ghost? If the answer is yes, call the professionals! Psychokinetic energy is on the rise again, business is booming for the boys, and Ray is troubled by what could be a prophetic dream. Is this an ill omen of an upcoming apocalypse or just a little indigestion?

# HEROES AREN'T HARD TO FIND

---

Heroes.

For a lot of comic book readers, the hero's journey is a captivating one. As fans, we thrill at the exploits of our favorite caped combatants, marvel at their ability to overcome any odds against the most vile of villains, and read on in fits of suspense when they appear on the verge of failure!

Unfortunately, it seems like the heroes many of us grew up with, the heroes we know and love, the ones we counted on to actually act like heroes...aren't acting like heroes. Of course, that isn't entirely the case.

If you take a look at the stories we've been telling in our biggest titles, what you'll find is that there are still heroes for you to read about. There are still heroes that you know and recognize, performing acts of bravery and behaving the way all of us should aspire to behave. From the *Teenage Mutant Ninja Turtles* to *The Transformers*, IDW Publishing is constantly re-inventing, re-imagining, and re-examining what it means to be a hero in the world today. With passion and reverence for our source material and the guts to go beyond, our creators are building stories about the types of heroes comic book fans want.

So, please, take a look through the next few pages of this amazing collection of works and fear not! We're still making the things you want to read, still fighting the good fight.

***FIND YOUR HERO.***

For years, FBI agents Fox Mulder and Dana Scully toiled in the X-Files unit, a one-office division of the Bureau dealing with cases deemed unsolvable and related to unexplained phenomena. During their investigations, Mulder, the “believer,” and Scully, the “skeptic,” delved into the occult, religion, urban legends, conspiracy theories, UFOs, alien abductions, and genetic engineering. Eventually, both agents left the FBI and began a new life together in peaceful anonymity, which endured until now.

Recent events prompted Mulder and Scully to return to the Bureau and the X-Files. Since then, Mulder has seen his work with the FBI discredited and has found himself a fugitive from the U.S. government—all thanks to the machinations of a former ally, Gibson Praise, who now wields powers far beyond even what Mulder can imagine. Meanwhile, Scully remains at the FBI under the watchful eye of Gibson, as she works to prevent the government from falling further into his clutches and to clear her partner’s name.

Long before the term “graphic novel” entered the popular lexicon—ten years before Will Eisner’s *A Contract with God*—Hugo Pratt pioneered the long-form “drawn literature” story. *Corto Maltese* set the standard for all adult adventure comics in Europe. By the mid-1970s Corto was the continent’s most popular series and Hugo Pratt the world’s leading graphic novelist. Hugo Pratt’s peripatetic sailor was featured in a series of 29 stories. The adventures of this modern Ulysses are set during the first 30 years of the 20th Century in such exotic locales as Pratt’s native Venice, the steppes of Manchuria, the Caribbean islands, the Danakil deserts, the Amazon forests, and the waves of the Pacific.

# EUROCOMICS BRINGS THE GREATEST COMICS FROM AROUND THE WORLD TO A WHOLE NEW AUDIENCE

Great comics are great comics, regardless of where or when they were created. Our **Library of American Comics** imprint takes care of the “when” by preserving the long and jubilantly creative history of American newspaper comic strips. EuroComics addresses the “where” by introducing North American readers to English language translations of the best in European comics.

-Dean Mullaney  
Editor, EuroComics

## CORTO MALTESE (WINNER OF THE HARVEY AWARD FOR BEST AMERICAN EDITION OF FOREIGN MATERIAL) HUGO PRATT

“Corto Maltese brings one of the most exciting and original adventure narratives in the world of graphic novels to American shores with the beauty and intelligence of the author intact.... *Corto Maltese* is as timeless as *Batman* or *The Man With No Name* in the Sergio Leone film series that made Clint Eastwood a star...Classic adventure literature of the highest order.”

-The New York Journal of Books

## PARACUELLOS

CARLOS GIMÉNEZ

ISBN 978-1-63140-468-9 • 136 PAGES • \$24.99

“[In *Paracuellos*] acclaimed Spanish creator Giménez (b. 1941) depicts brief vignettes from his life and that of other boys who lived in the fascist social aid ‘homes’ that were by turns horrifying, pathetic, and poignant in this first English translation of this work.... These memories of the ease of a society in turning to cruelty against its least members is a cautionary tale for us all.”

-Library Journal

## DIETER LUMPEN

JORGE ZENTNER & RUBEN PELLEJERO

ISBN 978-1-63140-606-5 • 264 PAGES • \$49.99

“Rubén Pellejero is a kindred art spirit to myself in his approach to the balance of black and white. As I read the stories, I found that his art combined with Zentner’s story with its mix of whimsy, adventure, romance, and an enticing sense of its location, captivated me. I had never seen anything like it before.

Just a few years after she burst into comic books, the world's most famous female superhero starred in her own daily newspaper strip written and drawn by the same creative team that produced the comic book: William Moulton Marston and Harry G. Peter. It all starts on Paradise Island where Amazonian women rule supreme and no men are allowed. Led by Princess Diana, their way of life is about to change when Steve Trevor, a wounded American soldier, washes up on their shores. Soon, Diana—rechristened Wonder Woman—is off to America, where the saga continues!

# REACHING FOR THE TOP SHELF

2016 ended with an incredible milestone for Top Shelf, as the whole comics industry celebrated the first National Book Award given to a graphic novel—the conclusion of the *March* trilogy by Congressman John Lewis, Andrew Aydin, and Nate Powell. Now we're excited to bring you a whole new slate of literary graphic novels in 2017—charming, thrilling, funny, and haunting stories from visionary creators for readers young and old.

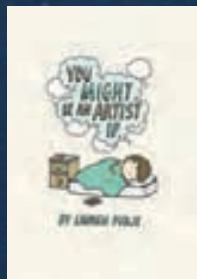

Whether it's wild all-ages adventure (like *Surfside Girls* and *Spacebat & the Fugitives*), black-and-white studies that draw you deep inside a human heart (like *Bottled*, *Roots*, and the Nate Powell library), or explosions of color that will knock you off your feet (like *Her Bark & Her Bite*, *Home Time*, and *Return of the Dapper Men*), we invite you to try a fresh, original voice or two. Your new favorite creator is just within reach.

Alex Toth is revered as one of the greatest of all comics artists. Others laud his pioneering work in animation, including his groundbreaking designs for *Space Ghost* and *The Herculoids*. His work influenced countless professionals in both fields, but Toth was more than a unique and influential artist. He was a keenly insightful philosopher about comics, cartooning, and animation—with opinions on how they are created as opposed to how he felt they should be created..

# IDW GAMES EXPANDS ITS RETRO LIBRARY FOR 2017

CLASSIC MOVIES AND OLD-SCHOOL ARCADE GAMES GET MODERN LIFE AS BOARD GAMES

---

Pop in a quarter, toss the hair sprayed hair out of your eyes, and mash that control stick this year with IDW Games as they bring back the glory days of yore. "We're excited to announce a partnership with Atari and 20th Century Fox," says Jerry Bennington, VP of New Product Development, "allowing IDW Games a huge opportunity in 2017 to release *Planet of the Apes* and an entire Atari lineup including *Centipede*, *Asteroids*, and *Missile Command* as board games."

Based on the classic 1968 film franchise, *Planet of the Apes* is designed by master game designer Richard Launius, creator of *Arkham Horror*. The game plays through the scenes of the movie as a cooperative experience where players must overcome obstacles, survive a harsh and deadly planet, and ultimately discover Colonel George Taylor's fate, as well as the fate of the planet that Taylor left behind. "Take your stinking paws off me—" I mean... c'mon... who doesn't like an actor in an ape-suit?

The Atari line of games, featuring *Centipede*, brings back the classic arcade action to an entirely new level. Now you can touch and feel the pieces, and have them on your shelf, or on your kitchen table. "Our goal," says Bennington, "was to encapsulate everything that made that dark neon-lighted arcade a magical place." You can almost hear the 8-bit explosions crunch and bang through archaic speakers as you shoot lasers at the terrifying centipede that weaves through the bizarre mushroom forest that could only be a product of the parallel universe that was the 80's.

You won't get any closer to *Back to the Future II*'s 2015, then 2017. So fire up the DeLorean, try not to run into your parents, and for the love of all that is Marty McFly, don't let Biff Tower happen. The cool thing about *Back to the Future*, even if you're not a gamer, is the moments that you play through on your journey through time. Everything about this game brings you back to the time you spent riding a Mattel *Hoverboard* in front of the Hill Valley Clock Tower.

2017 is a great year to cozy up to the past and smile. The times that made us who we are get a second chance at capturing our hearts and minds. So 2017, give in to 1985.

-Bryan Merlonghi, Marketing Manager IDW Games

# JACK KIRBY'S FANTASTIC FOUR ARTIST'S EDITION

(W) STAN LEE (A/CA) JACK KIRBY

Jack Kirby's *Fantastic Four*. World-shattering events, cosmic calamities, and Kirby Krackle—does it get any better?

Jack Kirby is the most important creator in the history of comics, and the *Fantastic Four* is one of his greatest achievements. First published in 1961, the adventures of Mr. Fantastic, the Human Torch, the Invisible Girl, and the ever-loving Thing introduced a bold new era in comics. Kirby's dynamic storytelling, coupled with Stan Lee's poignant writing style, were unlike anything comic book readers had seen before—it literally ushered in THE MARVEL AGE OF COMICS!

Now, with the cooperation of the Jack Kirby Estate and under license from Marvel Comics, IDW is proud to present the first *Jack Kirby Fantastic Four Artist's Edition*! Including *Fantastic Four Annual* #6, the 48-page groundbreaking story that featured the birth of Franklin Richards! Also presenting issues #82 and #83, guest starring the Inhumans—plus more stories and a beautiful gallery section of some of Kirby's most incredible pages, all scanned from the original art!

# WHAT IS AN ARTIST'S EDITION?

Artist's Editions are an ongoing series of art books dedicated to presenting the worlds greatest comic artists in a format as special as their work deserves.

An Artist's Edition presents complete comic book stories scanned from the original art and printed at the same size it was drawn. While appearing to be in black and white, the art has been scanned in color so readers can see blue pencils, white-out corrections, and all the little nuances that make original art unique.

To date, IDW has released more than 50 of these books, five of which have won the prestigious Eisner Award for best archival book of the year.
