# Books the World Needs to Read

— HAND-PICKED BY THE PENGUIN RANDOM HOUSE INTERNATIONAL TEAM —

The author of the international bestseller *The Oracle of Stamboul* takes readers on an enthralling new journey in a multigenerational yarn that spans present-day Berkeley to ancient Cairo, as a young man goes on a quest to unravel a centuries-old family secret.

"A beautiful, richly textured novel, ambitious and delicately crafted, *The Last Watchman of Old Cairo* is both a coming-of-age story and a family history, a wide-ranging book about fathers and sons, religion, magic, love, and the essence of storytelling. This book is a joy."

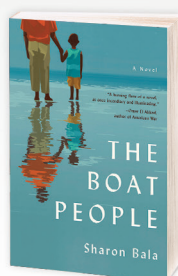

—RABIH ALAMEDDINE, AUTHOR OF THE NATIONAL BOOK AWARD FINALIST *AN UNNECESSARY WOMAN*

"A sense of mystery and profound tristesse pervade this unusual narrative, which tells the story of a young California man on a quest to understand a puzzling gift left for him by his late father, the descendant of generations of watchmen at the venerable Ben Ezra synagogue in the depths of Old Cairo. The novel is enhanced by Lukas' impressive historical research on the Geniza and the colorful characters involved in rescuing its treasure trove of documents. But his greatest flair is in capturing the essence of that beautiful, haunted, shabby, beleaguered, yet still utterly sublime Middle Eastern city."

—LUCETTE LAGNADO, AUTHOR OF *THE MAN IN THE WHITE SHARKSKIN SUIT* AND *THE ARROGANT YEARS*
