Becoming

A Guided Journal for Discovering Your Voice

Think of this journal as a companion along your own journey of becoming.

Based on Michelle Obama's bestselling memoir and featuring an intimate and inspiring introduction by the former First Lady, these pages include more than 150 thought-provoking questions and prompts to help you discover, and rediscover, the one thing that will always be true to you and you alone—your story. Inside, you'll find an opportunity not only to take heart in the experiences that brought you where you are today, but to feel empowered to take those next steps, wherever they might lead.

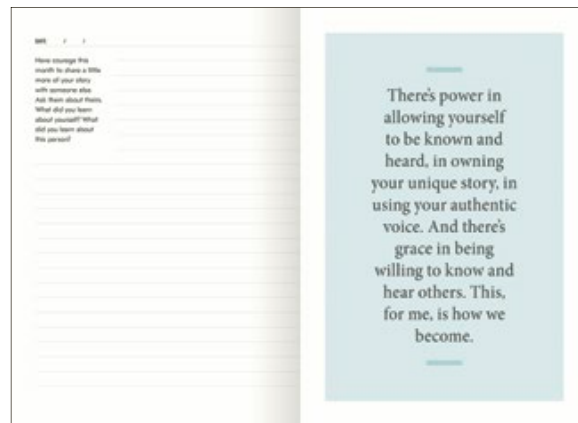

MICHELLE ROBINSON OBAMA served as First Lady of the United States from 2009 to 2017. A graduate of Princeton University and Harvard Law School, Mrs. Obama started her career as an attorney at the Chicago law firm Sidley & Austin, where she met her future husband, Barack Obama. She later worked in the Chicago mayor's office, at the University of Chicago, and at the University of Chicago Medical Center. Mrs. Obama also founded the Chicago chapter of Public Allies, an organization that prepares young people for careers in public service. She is the author of the critically acclaimed memoir *Becoming*, which has sold more than 11.5 million copies around the world, and of the #1 *New York Times* bestseller *American Grown*. The Obamas currently live in Washington, DC, and have two daughters, Malia and Sasha.
