

CHARLIE KAUFMAN

Oscar-winning screenwriter with a cult following

“There are no budgetary limitations in a novel. There is no studio oversight. There are no focus groups. In fact, this book is in part about that; it’s about an impossible movie.”

-- Charlie Kaufman

Praise for Charlie Kaufman:

“Eight years ago, Kaufman directed another extraordinary film, *Synecdoche, New York*, about a yearning for artistic greatness. Kaufman achieved it then – and he achieves it again now. Is there anyone else in the movies doing such unique and extraordinary work?”

-- Peter Bradshaw, *The Guardian* on *Anomalisa*

“What an endlessly inventive movie this is! Charlie Kaufman, the writer of *Being John Malkovich*, supplies a stream of dazzling inventions, twists and wicked paradoxes.”

-- Roger Ebert on *Being John Malkovich*
