JULY 2020 ADULT
Highlights

In light of recent events, we would like to take this moment to provide you with as many resources as possible to encourage shared learning and growth.

An Anti-Racist Reading List from PRH is available to download [here](#), including a list of author organizations to follow. Please also find this helpful [Anti-Racist Books and Resources post](#), along with this [collection of titles](#), which can be easily shared with readers.

**We stand against racism and
violence toward the Black
community.**

**And we commit to
listening – to our readers,
to our authors, and to our
teams – as we work toward
becoming part of the change.**

Sex and Vanity

Kevin Kwan

"Kevin Kwan's new book is his most decadent yet." --*Entertainment Weekly*

The iconic author of the bestselling phenomenon *Crazy Rich Asians* returns with the glittering tale of a young woman who finds herself torn between two men: the WASPY fiancé of her family's dreams and George Zao, the man she is desperately trying to avoid falling in love with.

On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. "Your mother is Chinese so it's no surprise you'd be attracted to

someone like him," Charlotte teases.

The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendening with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-board of her Fifth Avenue apartment building, and ultimately herself as she tries mightily to deny George entry into her world--and her heart.

Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.

**The Sequel to Hank Green's AN ABSOLUTELY
REMARKABLE THING**

A Beautifully Foolish Endeavor

Hank Green

Who has the right to change the world forever?
How will we live online?
How do we find comfort in an increasingly isolated
world?

The Carls disappeared the same way they appeared, in an instant. While the robots were on Earth, they caused confusion and destruction with only their presence. Part of their maelstrom was the sudden viral fame and untimely death of April May.

Months later, April's friends are trying to find their footing in a post-Carl world. Just as it is starting to seem like the gang may never learn the real story behind the events that changed their lives forever, a series of clues arrive—mysterious books that seem to predict the future and control the actions of their readers—all of which seems to suggest that April could be very much alive.

A Beautifully Foolish Endeavor is the bold and brilliant follow-up to *An Absolutely Remarkable Thing*. It is a fast-paced adventure that is also a biting social commentary, asking hard, urgent questions about the way we live, our freedoms, our future, and how we handle the unknown.

ALSO BY HANK GREEN:

An Absolutely Remarkable Thing

Hank Green

THE INSTANT #1 NEW YORK TIMES BESTSELLER

“Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play.” —*San Francisco Chronicle*

In his wildly entertaining debut novel, Hank Green—cocreator of Crash Course, Vlogbrothers,

and SciShow—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined.

Additional Adult Highlights

Memoirs and Misinformation

Jim Carrey and Dana Vachon

"None of this is real and all of it is true." --Jim Carrey

Memoirs and Misinformation is a fearless semi-autobiographical novel, a deconstruction of persona. In it, Jim Carrey and Dana Vachon have fashioned a story about acting, Hollywood, agents, celebrity, privilege, friendship, romance, addiction to relevance, fear of personal erasure, our "one big soul," Canada, and a cataclysmic ending of the world--apocalypses within and without.
