The Sequel to Renée Ahdieh's THE BEAUTIFUL

The Damned

Renée Ahdieh

New York Times bestselling author Renée Ahdieh returns with the second installment of her new sumptuous, sultry and romantic series, **The Beautiful**.

Following the events of *The Beautiful*, Sébastien Saint Germain is now cursed and forever changed. The treaty between the Fallen and the Brotherhood has been broken, and war between the immortals seems imminent. The price of loving Celine was costly.

But Celine has also paid a high price for loving Bastien. Still recovering from injuries sustained during a night she can't quite remember, her dreams are troubled. And she doesn't know she has inadvertently set into motion a chain of events that could lead to her demise and unveil a truth about herself she's not ready to learn.

The Damned, Renée's latest installment in The Beautiful series is just as decadent, thrilling, and mysterious as her last, as she continues her most potent fantasy series yet.
