The Epic Conclusion to the #1 Bestselling MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN Series

The Desolations of Devil's Acre Ransom Riggs

The fate of peculiardom hangs in the balance in this epic conclusion to the #1 bestselling Miss Peregrine's Peculiar Children series.

The last thing Jacob Portman saw before the world went dark was a terrible, familiar face.

Suddenly, he and Noor are back in the place where everything began—his grandfather's house. Jacob doesn't know how they escaped from V's loop to find themselves in Florida. But he does know one thing for certain: Caul has returned.

After a narrow getaway from a blood-thirsty hollow, Jacob and Noor reunite with Miss Peregrine and the peculiar children in Devil's Acre. The Acre is being plagued by desolations—weather fronts of ash

and blood and bone—a terrible portent of Caul's amassing army.

Risen from the Library of Souls and more powerful than ever, Caul and his apocalyptic agenda seem unstoppable. Only one hope remains—deliver Noor to the meeting place of the seven prophesied ones. *If* they can decipher its secret location.

Jacob and his friends will face deadly enemies and race through history's most dangerous loops in this thrilling page-turner, the final adventure in the beloved Miss Peregrine's Peculiar Children series.

A Poignant and Timely New Picture Book from Matt de la Peña and Christian Robinson

Milo Imagines the World

Matt de la Peña; illus. by Christian Robinson

The team behind the Newbery Medal winner and Caldecott Honor book *Last Stop on Market Street* and the award-winning *New York Times* bestseller *Carmela Full of Wishes* once again delivers a poignant and timely picture book that's sure to become an instant classic.

Milo is on a long subway ride with his older sister. To pass the time, he studies the faces around him and makes pictures of their lives. There's the whiskered man with the crossword puzzle; Milo imagines him playing solitaire in a cluttered apartment full of pets. There's the wedding-dressed woman with a little dog peeking out of her handbag; Milo imagines her in a grand cathedral ceremony. And then there's the boy in the suit with the bright white sneakers; Milo imagines him arriving home to a castle with a drawbridge and a

butler. But when the boy in the suit gets off on the same stop as Milo--walking the same path, going to the exact same place--Milo realizes that you can't really know anyone just by looking at them.
