## Fans of STARGIRL Will Love This Touching Novel From Jerry Spinelli

---

### Dead Wednesday

Jerry Spinelli

**Fans of *Stargirl* and *Maniac Magee* rejoice! Newbery Medalist Jerry Spinelli delivers a brilliant new novel about being bold, and taking charge of your life.**

Worm Tarnauer has spent most of eighth grade living down to his nickname. He prefers to be out of sight, underground. He walked the world unseen. He's happy to let his best friend, Eddie, lead the way and rule the day.

And this day--Dead Wednesday--is going to be awesome. The school thinks assigning each eighth grader the name of a teenager who died in the past year and having them don black shirts and become "invisible" will make them contemplate their own

mortality. Yeah, sure. The kids know that being invisible to teachers really means you can get away with anything. It's a day to go wild!

But Worm didn't count on Becca Finch (17, car crash). Letting this girl into his head is about to change everything.

Jerry Spinelli tells the story of the unexpected, heartbreaking, hilarious, truly epic day when Worm Tarnauer discovers his own life.

## Don't Miss This Chilling Supernatural Debut

### **Dark and Shallow Lies**

Ginny Myers Sain

A teen girl disappears from her small town deep in the bayou, where magic festers beneath the surface of the swamp like water rot, in this chilling debut supernatural thriller for fans of Natasha Preston, Karen McManus, and Rory Power.

La Cachette, Louisiana, is the worst place to be if you have something to hide.

This tiny town, where seventeen-year-old Grey spends her summers, is the self-proclaimed Psychic Capital of the World—and the place where Elora Pellerin, Grey's best friend, disappeared six months earlier.

Grey can't believe that Elora vanished into thin air any more than she can believe that nobody in a town full of psychics knows what happened. But as she digs into the night that Elora went missing, she begins to realize that everybody in town is hiding something—her grandmother Honey; her childhood crush Hart; and even her late mother, whose secrets continue to call to Grey from beyond the grave.

When a mysterious stranger emerges from the bayou—a stormy-eyed boy with links to Elora and the town's bloody history—Grey realizes that La Cachette's past is far more present and dangerous than she'd ever understood. Suddenly, she doesn't know who she can trust. In a town where secrets lurk just below the surface, and where a murderer is on the loose, nobody can be presumed innocent—and La Cachette's dark and shallow lies may just rip the town apart.
