Bestselling YA Fantasy Author Sabaa Tahir's First Contemporary Novel

All My Rage

Sabaa Tahir

From #1 *New York Times* bestselling author Sabaa Tahir comes a brilliant, unforgettable, and heart-wrenching contemporary YA novel about family and forgiveness, love and loss, in a sweeping story that crosses generations and continents.

Lahore, Pakistan. Then.

Misbah is a dreamer and storyteller, newly married to Toufiq in an arranged match. After their young life is shaken by tragedy, they come to the United States and open the Cloud's Rest Inn Motel, hoping for a new start.

Juniper, California. Now.

Salahudin and Noor are more than best friends; they are family. Growing up as outcasts in the small desert town of Juniper, California, they understand each other the way no one else does. Until The Fight, which

destroys their bond with the swift fury of a star exploding.

Now, Sal scrambles to run the family motel as his mother Misbah's health fails and his grieving father loses himself to alcoholism. Noor, meanwhile, walks a harrowing tightrope: working at her wrathful uncle's liquor store while hiding the fact that she's applying to college so she can escape him—and Juniper—forever.

When Sal's attempts to save the motel spiral out of control, he and Noor must ask themselves what friendship is worth—and what it takes to defeat the monsters in their pasts and the ones in their midst.

From one of today's most cherished and bestselling young adult authors comes a breathtaking novel of young love, old regrets, and forgiveness—one that's both tragic and poignant in its tender ferocity.

The Perfect Gift For a Grandparent

A Gift for Nana

Lane Smith

Two-time Caldecott Honor author/illustrator Lane Smith tells a whimsical story about a little rabbit searching for the best gift for someone very special.

A thoughtful little Rabbit sets out to find the perfect gift for his Nana. He knows she will love anything he brings her but Rabbit wants this gift to be extra special. As he travels on his quest, Rabbit encounters an assortment of creatures—a crow, a smiling full moon, a stickler (whatever *that* is), a big fish, and a volcano. Each is certain they offer the best advice but nothing they suggest seems right for his Nana. It's not until Rabbit reaches the highest peak, that he finds exactly what he's been searching for.

The award-winning illustrator of bestsellers including *Penguin Problems* and *Giraffe Problems*, brings originality and gentle humor to a story that parents and grandparents will be sharing with their children for years to come.
