Moby Dick, or the Whale: A Deluxe Facsimile Edition

A gorgeous facsimile edition of Herman Melville's timeless classic *Moby Dick*, featuring artist Rockwell Kent's woodcut illustrations and a new foreword by rare books specialist Rebecca Romney.

REBECCA ROMNEY is a rare book dealer and the cofounder of Type Punch Matrix, a rare book company based in Washington, DC. She is also the author of *Jane Austen's Bookshelf*.

HERMAN MELVILLE'S writing career peaked early with bestsellers like *Typee*, but his popularity declined sharply by the mid-1850s. Over time, his novel *Moby Dick* came to be regarded as one of the finest works of American and world literature.

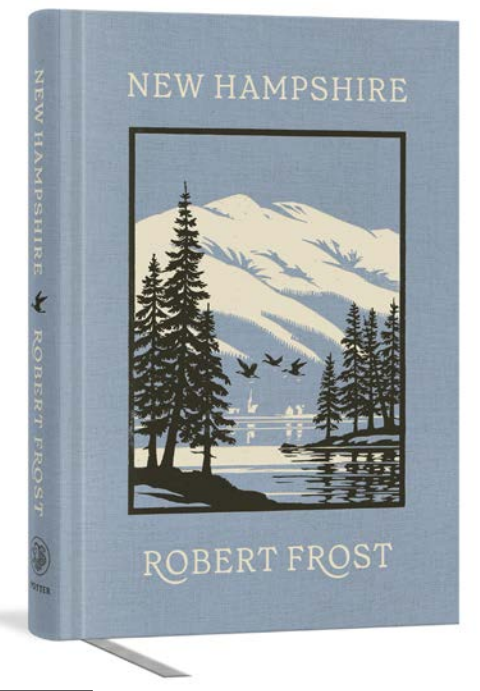

ROCKWELL KENT was an American printmaker, illustrator, sailor, and is known as one of America's foremost illustrators. He provided illustrations for numerous famous works, including *Moby Dick* and Whitman's *Leaves of Grass*.

How to Win at Chess, Next Level

The Ultimate Guide for Intermediate Play

Take your chess game to the next level with this exciting and approachable guide for intermediate players from YouTube's top chess teacher Levy Rozman (aka GothamChess).

INTRODUCTION

Hi! I'm Levy Rozman, also known as GothamChess. I'm a former scholastic chess coach and a former chess player. I've been playing chess since I was 10 years old. I've won several national and international chess titles. I've also been a chess coach for over 10 years. I've helped thousands of people improve their chess skills. I've also been a chess streamer for over 10 years. I've helped thousands of people improve their chess skills. I've also been a chess streamer for over 10 years. I've helped thousands of people improve their chess skills.

It was beyond anything at the opportunity to share my love of chess and pick up a little extra cash. Over the next 10 years, I taught chess to hundreds of all ages and levels across New York City. My skills soon grew and I started streaming chess on YouTube. I've helped thousands of people improve their chess skills. I've also been a chess streamer for over 10 years. I've helped thousands of people improve their chess skills.

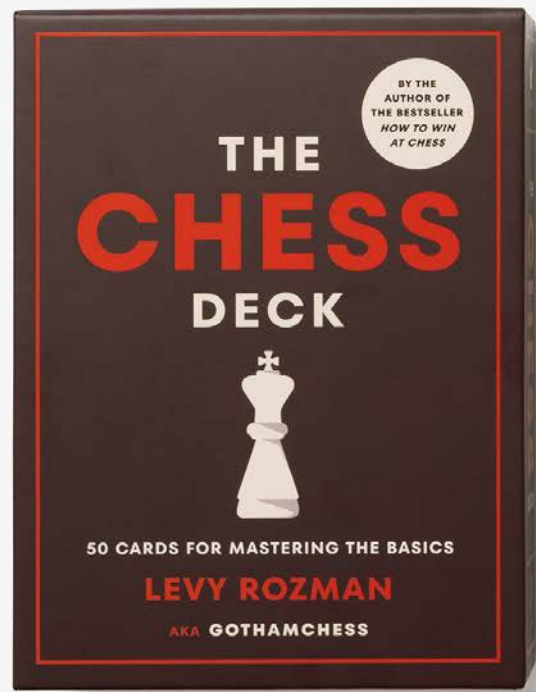

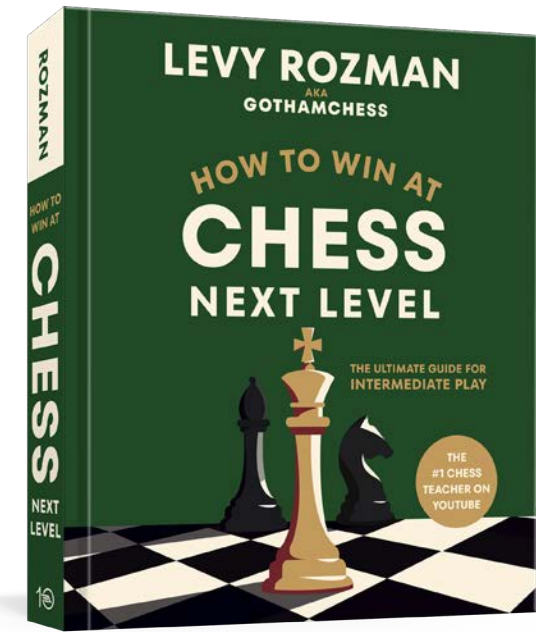

CHAPTER THREE HOW TO USE YOUR PIECES

Well, as we said they're very important. Knights are the most important piece on the board, and they're also the most important piece on the board. Knights are the most important piece on the board, and they're also the most important piece on the board. Knights are the most important piece on the board, and they're also the most important piece on the board.

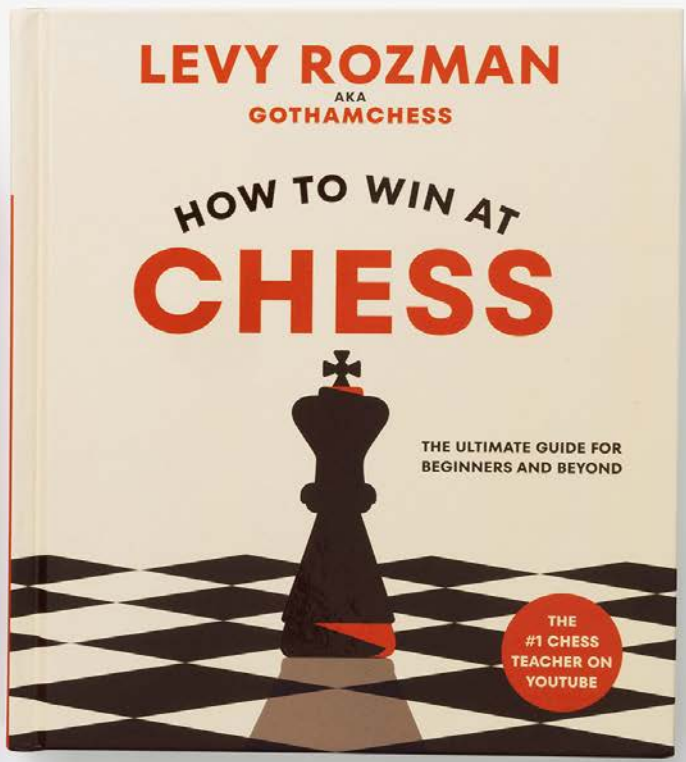

Outposts

Start by setting up a knight on an outpost. This is a square that is not controlled by the opponent's pawns. Knights are the most important piece on the board, and they're also the most important piece on the board. Knights are the most important piece on the board, and they're also the most important piece on the board.

LEVY ROZMAN, more popularly known as GothamChess, is an online chess streamer who earned the International Master title in 2018. A former scholastic chess coach, he is passionate about chess accessibility and has helped fund scholarships for chess programs in education. He currently boasts the biggest chess channel on YouTube, where he focuses on creating fun and educational content.
